Seattle, Washington 98101**

**Reply to the
Attention of M/S AT-083**

November 27, 1992

MEMORANDUM

**SUBJECT: Burlington Environmental, Inc., Chempro Division, Georgetown
Facility, Seattle, Washington: Documents Obtained During
September 30, 1991, EPA TSCA PCB Inspection**

**FROM: Bill Hedgebeth, PCB Team Leader
Toxic Substances Section**

TO: File

Documents obtained during this inspection have not been retained. They were placed into the recycling bin. These documents are records the facility is required to maintain and are available in the future if a future need for them arises.
